Matters Arising

- Helen and Jo to confirm Turner’s interest with Healthy Kids Association, with Helen to follow-up with a newsletter article.
  - The school canteen/Friday lunch orders is progressing.
  - The team at Health Kids is setting Turner up on the Flexischools website http://www.flexischools.com.au.
  - proposed trialling a menu based on what has worked well in other ACT schools.
  - We have given the providers some guidance (no drinks, limited packaging, free range eggs and chicken) and asked for a draft menu
  - I’ve spoken to Hughes and Alfred Deakin schools (who use the same system) and they were extremely positive about the service.
  - Hughes Primary shared some tips:
    - make sure parents ‘submit’ orders,
    - have spare food (possibly even additional orders) on hand if case orders don’t arrive (because they have not been submitted – expect 2 or 3 each week). The meeting decided to let existing arrangements in use for the previous service remain in place and to be reviewed after one month.
    - set up a system to ensure we let providers know if there are school excursions on a Friday so orders are not taken for that week (either for a class or for the whole school).
    - Healthy Kids expect Turner lunches to be operating from September.
We’ll send home information on how to register and the menu once it’s set up.

- Helen also advised that Healthy Kids Association have set up an ACCC approved account to hold all school lunch funds collected by them.

- Helen and Greta to ask Duffy and other schools about how they treat offline orders
  - Done – see item above

- Greta to send an email to the P&C list seeking BBQ volunteers
  - Done - lots of volunteers rostered on for the very successful day

- Committee to reconsider funding for Fairy Garden equipment pending outcome of Election Day BBQ
  - To be considered under General Business

Community Engagement
- Thanks to a large number of volunteer parents, grandparents and carers for their efforts over the past month.

School Board
The Board activity was presented by Bob Edwards. Bob reported that:
- Excellent Coffee Chat session with the Review Panel - asked to rate Turner School in allowing community engagement in children’s learning – all participants rated the school 8/9 out of 10.

Class Parent’s Contact
- Regular mid-year chocolates handed out to volunteer parent contacts.
- 65 family have signed up to the visit to the National Gallery tour.

General Business
- **Budget Allocation for the fairy garden**
  - Following the successful fund raising on Election Day, the meeting decided to proceed with the purchase of the Throne and Stools. Di and Clem to arrange.
- **Fete Update**
  - 29 definite stalls.
  - Couple of other stalls may be scrapped due to lack of interest/support.
  - 21 have coordinators – majority are repeat stall holders.
  - Looking for a band coordinator - a few former Turner students have formed rock bands and are happy to perform – just need a coordinator.
  - Clothing stall – huge effort required to sort, clean etc. the clothing. Looking at splitting it up to three stalls- kids, women and designer clothes to reduce the workload.
  - Propose continuing with the Stall Holders Pack - a few minor changes. The pack has proven to be successful and gives the stallholders, especially the new ones, the confidence to run the stalls.
- **New stalls**
  - Properties being donated for free weekend – e.g. holiday home down the coast – to be raffled/auctioned?
  - Dunking Dunny – seeking volunteers especially from teachers and staff.
  - International Food Stall – replacing and expanding on the previous Indonesian Stall, Curry stall etc. Kirsty advised that the food preparation guidelines have been amended and school fetes are now exempt.
- **Climbing wall** no longer available.
- **Photo-booth stall** to be now reconsidered.
- Helen bell volunteered to coordinate the Jelly stall.
- **Looking for a badge making machine** – any offers?
- **Proposed hiring a commercial Slushy Making machine** – also looking at hiring commercial rice cooker.
- Kirsty is setting up an “on-line” booking system to enable volunteers to nominate and keep in touch.

Other Business
- **Coin counting machine**
  - Following a discussion on counting the takings from the school fete, Election Day BBQs etc. the meeting decided that a coin counting machine should be purchased. Heather Kettle to organise.
  - The meeting felt that while the total funds banked was important, the meeting agreed that it is also important to know whether stalls did well or not financially. It was also highly desirable that the stall and other volunteers were given a reasonably accurate indication of the funds their individual efforts raised. The expectation is that the coin counting machine will help in the count.
• **Planting along the new safety fence along Hartley St**
  o Meeting agreed in principle to plant out the area, subject to costs and options for raising funds if needed – e.g. parents could be asked to donate plants from a list provided
  o Agreed to hold a working bee to plant out the area
  o Greta to contact school parents with gardening/horticultural experience for advice on suitable plants
  o School to arrange removal of existing grass

**Next Meeting**
7.30pm Wednesday 17 August 2016 – School Library

**Close of Meeting**
There being no further business, the General Meeting was closed at 9.15pm.
Welcome back to Term 3! Thanks to all the parents and carers who volunteered at the Election Day Barbecue/Cake Stall/Plant Sale and Coffee Cart in July. I’d particularly like to co-ordinating the event and Simon and James for machine, Ted for making sure everything was David, Bod and Clem for setting up and Clem, Di packing up. Thanks to everyone who baked and to volunteered to work on the stalls and barbecue. raised $2793.95. Well done! Now we have a target re-convene for eth ACT election in September.

We now have a P&C coffee machine. This will be used ACT Election Day, Teacher’s and the Fete. It cost $2000. We need to spend a further $300(ish) on a cart to wheel it around (Simon is onto this) and we’ll be set. The Coffee Cart raised $779 on the July Election Day so we’re a third of the way towards paying it off.

We’ll make a decision on the seating for the Fairy Garden tonight, now that we have some additional funds from the Election Day barbecue. We’ll also talk about planting along the new safety fence along Hartley Street between the footpath and the fence at the southern end (where the fence is closer to the footpath).

The school canteen/Friday lunch orders is progressing. The team at Health Kids is setting Turner up on the Flexischools website http://www.flexischools.com.au. They have proposed trialling a menu based on what has worked well in other ACT schools. We have given them some guidance (no drinks, limited packaging, free range eggs and chicken) and asked for a draft menu. I’ve spoken to Hughes and Alfred Deakin (who use the same system) and they were extremely positive about the service. Hughes Primary shared some tips: make sure parents ‘submit’ orders, have spare food (possibly even additional orders) on hand if case orders don’t arrive (because they have not been submitted – expect 2 or 3 each week), set up a system to ensure we let Dickson know if there are school excursions on a Friday so orders are not taken for that week (either for a class or for the whole school).

Healthy Kids expect Turner lunches to be operating from September. We’ll send home information on how to register and the menu once it’s set up.

The 2016 Fete is on track, thanks to Kirsty Brook. The Fete will be held on Saturday 29th October. Many of the same stall holders are returning for 2016 and we also have some vacancies. If you’d like to run a stall, please contact Kirsty kirsty@brookonline.net or sign up as a volunteer here.

Kind regards,
Helen Bell 0414 714 191 helen.bell@gbca.org.au
