

artKids - After School Art Workshops

artKids art workshops build on your child's drawing skills, with projects that focus on the elements of art and design using a variety of mediums in a fun, supportive environment. Classes run on Monday and Wednesday from the North Canberra Baptist Hall opposite Turner School on Condamine Street. Children are collected from school and walked to the hall. Parents collect children from the Baptist Hall. School holiday programs also available. For more information visit artKids www.artkidscanberra.com
