

YEAR 6 LEADERSHIP SHIRTS 2021

2nd January 2021

Dear Families,

We are ordering our year 6 leadership shirts this term. This year's shirts will be slightly different to previous years and the design is selected by our year 6 students. They will be a sublimated polo shirt with a front and back design pattern. The school logo will be on the front, year 6 students' names on the back and TURNER printed on the collar.

The shirts always prove to be extremely popular with the year 6 students; they highlight the students' leadership role within the school and recognise the contribution they make as senior students. The year 6 leadership shirts are worn to our graduation ceremony at the end of the year.

The shirts are only available in a bulk purchase, **it will not be possible to purchase shirts later in the year.** The cost is **\$49.00** per shirt.

Please complete the order form attached and return it to the school front office with either the full payment of **\$49.00** or a **\$5.00** deposit by **Friday 12 January**.

Shirts will take 6-8 weeks to arrive but please note that final payments will need to be paid in full before the shirts will be distributed. We are hoping to present students with their shirts early term 2.

Kind Regards,
5/6 Teaching Team
