

Welcome to Week 3 in 5/6

Date: Friday 3 August 2018

Hello Team!

Acknowledgements:

- Congratulations to the wonderful group of students who presented to a range of staff from other schools about Project Based Learning in 5/6. You represented our school beautifully.

Quick admin:

- Please return your Limelight notes ASAP
- Please return your STEAM Festival excursion note

Focus on learning:

- **Reading** - Read for at least 20 minutes each day. Try to read a variety of books from different authors. Talk to Norma, your teacher or classmates if you want reading recommendations. Wurdi Young people, remember to read up to your reading target for you book club.
- **TFTG with number cards**- You should now have a set of number cards at home. Please spend at least 10 minutes each day working with these. By building fluency with basic number facts you will become more proficient at mental computation.
- **Typing** - Practise your typing skills
Here are a few website you might like to use

Focus on wellbeing:

- **Do something you enjoy:** Wow, 2 weeks have already flown by! we have been super impressed with your commitment to jump straight back into your learning and the flexibility you have shown to each day. Take some time to do something you enjoy and refresh your mind, body and soul. Take the dog for a walk, find a quiet place and read a book or cook your family a sweet treat.

Coming up this week:

<i>Day:</i>	<i>Event:</i>	<i>Comments:</i>
MONDAY	<i>Limelight Dance rehearsals 12:45-1:30</i> <i>800m race for all students interested in earning house points or possibly going on to represent Turner at the Belconnen regional carnival.</i>	Please remember to return your Limelight note
TUESDAY		
WEDNESDAY	<i>5/6GS hosting the Senior Assembly</i>	Good luck!
THURSDAY	<i>Turner School Athletic Carnival</i>	Thank you to Nick and our House Captains for your work around the event.
FRIDAY	<i>Limelight Dance rehearsals 2-3</i>	Please remember to return your note.

The following table has tasks set for particular groups. Please read the left hand column carefully to see if any tasks apply to you.

Remember - You do not have to complete ALL of the tasks but you can if you want to.

Who needs to complete the task?	Key information:	When you need to have this completed	Who you need to show the task to:
All	Complete any unfinished classwork.	Ongoing	Your teacher
All	Make sure you're keeping up with your Book Club reading and jobs to ensure you're ready for your group discussions throughout the week. Take notes as you read and when you can, type them into your Book Club Google doc.	Ongoing	Your teacher and classmates
Karlie Noon	Science work- continue to finish your animal adaptation Popplet or Google Slide. We will be saving them on Friday of week 3.	Friday, week 3	Emily & Charlotte
All	We want to know what matters to you. We will be working towards creating 'Impact Projects' later in the year and to be able to do this we want you to do some research around what you are passionate about and something that you could impact change on in the world. Conduct your research and add it to our Google Classroom to share and gain feedback with your classmates.	Week 1 T3	Emily & Charlotte
All	Continue to think about your learning experience for the STEAM Festival. <ul style="list-style-type: none"> - What prior knowledge do you need? - What research should you be conducting to ensure you have all the information required to plan and teach your lesson? Share your research and learning on the Google Classroom so that your peers can give you feedback. Also share any resources or great websites that you find so that your peers can access them too!	Week 3	Your Teacher
All	What's 7x8? What about 9x6? We have had a emphasis on becoming accurate and quick with our multiplication tables up to 12. We want you to find time to continue to practice these and create a TFTG game that helps you to build upon your ability to mentally solve multiplication problems. You can create something completely new or adapt an old game!	Week 3	Your teacher
All	All students participating in Tournament of Minds are reminded to continue working on their challenge. For the duration of your challenge you are not required to complete other Home Learning tasks.
