

TURNER P-6 P&C ASSOCIATION & SCHOOL BOARD 2022 VOLUNTARY FAMILY CONTRIBUTION

Dear parents/carers

Each year we ask for your support for our school through your voluntary family contribution. This forms an important part of our school budget. Your contributions assist us in ensuring that we can offer the best possible education and resources for all our students at Turner.

Each year the School Board, which includes parent members, works with the school to formulate the year's school budget. The money raised through your voluntary contributions, goes directly into specific curriculum budgets to benefit *all* students from preschool to year 6 (Including art and craft equipment, PE, and sport, math, English, science, new IT resources, special programs, and the library).

In addition, Turner has a tax-deductible Library Fund. There is a separate note for this fund. K-6 Stationery Packs and Preschool Resource Payment are an **additional** contribution.

The annual voluntary family contribution for Turner is \$100 for one student, \$120 for two children at school and \$140 for three or more attending the school.

Please note that this is an indicative amount only and any contribution is greatly valued.

If you would like further information, or would like to discuss this, please do not hesitate to contact one of us. We are most grateful for your support,

Allison Edmonds
 Principal – on behalf of the Turner P&C Association and School Board

Thank you if you have already supported the school with your Voluntary Contributions for this year and if so, please disregard this letter.

Please note: The payment of this financial contribution is voluntary. The Education Act 2004 states that your child will not be refused benefits or services if you do not choose to contribute. Individual records of contributions are confidential.
