

Hi Turner Community,

I'm writing to provide you with the latest information about COVID-19 and ACT public schools.

The ACT Chief Minister announced that from 5pm today ACT public school students should stay at home while the ACT enters a seven day COVID-19 lock down.

Families should keep their children at home if they can. All ACT public schools will remain open for vulnerable children and for children whose parents cannot work from home.

During this period, [home learning resources](#) by year level are available on the Education Directorate's website for students and families to undertake self-directed learning from home during this period. We have also developed some resources on our Learning from Home Hub you may like to access. Please see the attached Learning from Home notice.

Our teachers will be spending this time preparing to move to remote learning should the lockdown be extended.

Out of School Hours Care can also remain open during this snap lockdown for children who need to attend.

ACTION: *If your child needs to come to school, please let us know via google link: <https://forms.gle/BYTWDkddQa5y1civ8> so that we can organise a staffing roster.*

Device ACTION for the current lockdown period: *Should your child need a device, one will be available to borrow tomorrow (Friday) and Monday via a drive through pick on Condamine Street between 10am-12pm.*

All people aged 13 and older are required to wear masks at all times outside of the home. Younger children are exempt. Any person who has a physical or mental health illness or condition, or disability, which makes wearing a face mask unsuitable is not required to wear a mask.

As you can appreciate, this is a fast-moving situation and we will do our best to keep you informed. To assist parents, carers and the broader school community, frequently asked questions and other information is available on the Education Directorate [website](#).

I will write to you if further decisions are made that impact our school.

Please also regularly check the latest advice from ACT Health at [Home - COVID-19 \(act.gov.au\)](https://www.act.gov.au/act-health), and more information will be available from ACT Health social media channels.

I'd like to acknowledge the strength of our school community. I'd also like to acknowledge this can be a challenging period for our families and students, please contact us via email or on 61422430 if you are worried about your child.

I thank you for your continued support of each other.

Kind regards,
Allison
