

## Year 6 Farewell Dinner - Parent Assistance

3/11/2021

Dear parents and carers of year 6 students,

The Year 6 Farewell Dinner and Disco will be held in the school hall on **Thursday 16<sup>th</sup> December**. Under the current Health Guidelines for Schools we are able to go ahead with this on the proviso that it is run in accordance with the advice and provisions provided in these guidelines. It should also be noted that the situation can change very quickly and our planning may be subject to change or cancellation due to a need to amend the public health advice and/or directions at short notice.

The dinner and decoration of the hall requires the help of our wonderful year 6 parents. The students will choose the meal and the colour theme. We require parents and carers who are able to take a lead in purchasing, decorating, and setting up, food preparation and serving (within our budget).

If you are able to assist with this event, could you please fill out the form from the google link by Friday 12<sup>th</sup> November.

Parents attending onsite will need to be ticketed and register to assist and we will need to ensure that we maintain the one parent per 4 square metre rule, check in via the CBR app and follow physical distancing and hygiene behaviours. All volunteers in the school also need to provide proof of vaccination (that is sighted on entry). Parents are asked to not attend if they are unwell or to leave if COVID-19 symptoms, or any other symptoms or illness develop.

Parents assisting on site will be run through a COVID induction and the advice provided for food preparation and distribution.
